Stevens Community Medical Center is excited to announce the addition of Dr. Jason Hughes, primary care physician to the SCMC team of providers.

Dr. Hughes was born and raised in Dallas, Texas. He graduated from Texas Tech University Health Sciences Center in Lubbock and completed a three-year family medicine residency from John Peter Smith Medical Center in Fort Worth and a three-year emergency medicine residency from El Paso. He served as an assistant clinical professor of emergency medicine in El Paso, Texas, and an associate clinical professor of emergency medicine in Iowa City, Iowa. In 2008, he went on to complete a one-year fellowship in Hospice and Palliative Medicine. He has been practicing medicine for 29 years.

Dr. Hughes also was an active duty Naval Flight Surgeon in the United States Naval Reserve. He was stationed in Adak, Alaska as well as Oak Harbor, Washington. He has enjoyed a variety of aspects of family medicine, including pediatrics and elderly care. He is fluent in Spanish and has many years of experience in geriatric and end of life care. He is board certified in Emergency Medicine, Hospice and Palliative Care. Dr. Hughes has a magnetic personality and is known for his enjoyment of travel and his passion for practicing medicine.

Stevens Community Medical Center is made up of a team of caring and compassionate professionals who work together with one unified goal. *You.* Thank you for trusting us with your health needs.

If you are in need of a primary care provider, call to make an appointment with Dr. Hughes today.
